

Announcement

March, 1st, 2011

La Leonessa Spa Group, with headquarters in Carpenedolo (BS) and Brevini Power Transmission Spa Group, with headquarters in Reggio Emilia, are happy and proud to announce an important international investment for slewing rings production .

La Leonessa, which already produces big size slewing rings, has decided to increase its production capacity thanks to the new Chinese industrial plant situated in Yancheng, where the range of products from 400 mm up to 4000 mm in diameter shall be manufactured.

This initiative has developed in a Joint Venture with Brevini Power Transmission Group, which already operates with two manufacturing plants in the same city of Yancheng.

This project of cooperation between the two Groups is designed to meet, with state-of-the-art technology, the market needs, offering a very unique kit of integrated products and services.

Leonessa Brevini Yancheng (this is the new company name) will serve all the application fields concerned in rotations: in particular the wind mills sector, a well known market already supplied by La Leonessa and Brevini Power Transmission.

The plant is under construction on an area of 40,000 square meters ,and the production will start in the first quarter of 2012.

The President of Leonessa Brevini Yancheng, Mr Tommaso Ghirardi (CEO of Leonessa Group) and the Vice President Renato Brevini (CEO of Brevini Power Transmission Group) are sure to have taken in the world landscape, a new manufacturing reality capable to satisfy the needs of the most exacting customers, and thank all those who have been contributing to the implementation of this ambitious project.
